

Business Supporter Program

Support our mission to protect and restore the Upper Deschutes watershed through collaborative projects in education, restoration, and monitoring. At the Upper Deschutes Watershed Council, we believe that the health of our watershed is reflected in the health of our community and our economy. Step up and become a sustainability business leader by joining our Business Supporter Program!

River Supporter - \$1,000

Sustainable Business Support

Be a part of our work today!

- **Tax Deductible Donation:** Write a check or give online
- **Product Donation:** Donate specific products or sales proceeds
- **Events:** Sponsor the Deschutes River Cleanup or another UDWC event
- **Sponsor a Class:** When you sponsor a local class for \$1,500, 30 students will spend a day engaging in hands-on learning activities along streams such as Tumalo Creek, Whychus Creek, or the Metolius River
- **Stewardship Challenge:** Customize a private challenge for your employees with this valuable team-building opportunity involving stewardship and educational components in the Deschutes watershed

See what other business supporters have to say

It was such a great day! Our Hydro team was totally stoked about being out there. We are going to partner with UDWC on more opportunities as our team **LOVES** this kind of work!

- Amy Renalds, Hydro Flask Community Ambassador
